SHOPPING TIPS FOR THE UPCOMING 2008 HOLIDAY SEASON

- Plan your trips. Instead of one big shopping trip, try several small ones. This will cut down on the amount of money you carry, the packages you'll be encumbered with, and it will make your shopping less stressful.
- Be extra careful with purses and wallets. Carry a purse under your arm. Keep wallets in an inside pocket.
- Park in well-lit areas that will be well-lit when you return.
- Avoid carrying large amounts of cash.
- Be sure to collect receipts after purchases and don't leave them in the bag. Many receipts contain account numbers or personal information that can be used for identity theft.
